## LES FONTAINES

EXPERT IN DESIGNING AND DELIVERING  
EVENTS THAT TRANSFORM SUSTAINABLY

# OUR RAISON D'ÊTRE : PARTICIPATING IN THE TRANSFORMATION OF BUSINESSES

- **The Campus masters three expertises :**
  - TRANSFORMATION
  - HOSPITALITY
  - EVENT MANAGEMENT
- **in an eco-responsible venue designed for Corporate events**
- **We believe it is the right combinaison of these three skills that makes THE difference to create and deliver events that transform sustainably and bring client's teams**
  - From NOW - what they do today
  - to NEXT - what they will do tomorrow

**NOW

Non contractual photos

## AN ON-SITE STUDIO

- The Hybrid Studio offers an ideal setting for in-person or hybrid sessions and can easily be transformed into a full-studio with green backdrop

The Hybrid Studio is located in 2.01

# A VENUE THAT INSPIRES CREATIVITY AND EFFICIENCY

Nudges (\*) are on display throughout the Campus to invite participants to

**adapt their behaviors** in order to be

**... more engaged ... more creative ... more efficient ...**

and **make the most of their stay** in Les Fontaines

*(\*) Nudge is a concept which proposes indirect suggestions as a way to influence behaviors and decision making of groups or individuals*

FROM ANYWHERE, AT ANY TIME!

We create and deliver **physical, hybrid and digital seminars** that **transform sustainably** and rely on solid technical mastery
